All such Goods whether affixed to immovable property or not, shall be deemed to remain movable property and severally without injury to such immovable property.

All intellectual property developed by Metso during the performance of the Agreement, Quotation or Order or thereafter, including those included in the deliverables and including any improvement to the Goods, shall exclusively vest in Metso. Subject to payment of the price in respect thereof, Metso shall grant the Client a non-exclusive and non-transferable license to use Metso's intellectual property in the deliverables and in the Goods for the sole purpose of installing, commissioning, operating and maintaining the Goods. Any other use of such intellectual property, including, without limitation, its copying or use for a modification, duplication or replication of the Goods and/or the Services, is strictly excluded from the scope of this license.
